## TICKET BOOTHS

I'm not sure how the Ticket Booth works, can you explain it?

Absolutely! The Festival largely works on a ticketing system for payment. This makes it easy for all the adults working the booths to simply take tickets instead of having to make change or charge credit cards. You'll want to visit one (1) of the two (2) Ticket Booths at the Festival to exchange cash for tickets. There are two different ticket types.

<b>Food and Beverage Tickets</b>	<b>Activity &amp; Game Tickets</b>
\$1.00 = 1 ticket	\$20.00 = 58 tickets
	\$10.00 = 26 tickets
	\$5.00 = 12 tickets
	\$1.00 = 2 tickets

## WHEELS OF CHANCE

*What are the Wheels of Chance?*

Bring your pockets full of quarters! You'll place a quarter on any number on the board, then wait to see if your number comes up after it is spun by the Booth parent. You can win all kinds of cool prizes depending on what booth you go to: Sports, Teen, Games, Toy, Electronics, Plant, Baked Goods, Candy! These booths take quarters and not Activity Tickets.
